OSCAR LYMBURNER DEAD

Oscar Lymburner one of the pioneer residents of this section of the country passed away on Wednesday morning, after a lingering illness of several months. Deceased was 79 years old.

In the spring of 1886 Mr. Lymburner and his family moved to Towner from Scotland, Ontario, Canada and settled on the river north of the city. He has been there ever since, and the ranch which has lately been run by his son, James, is one of the largest in North Dakota.

The funeral will be held at the ranch today and the body will be taken to Scotland, Ontario, for burial by his daughter, Miss Lydia Lymburner.

Born in 1832 in the province of Ontario, Mr. Lymburner was married when comparatively a young man to Miss Anna Willitts. A wife, two children, two grand children living near Towner, and two sisters in Ontario survive him.
