

LANDHOLDERS, AKRA TOWNSHIP, PEMBINA CO., ND - 1893

This information is compiled to help fill the gap left by the loss of the 1890 Federal Census Data. The information consists of the 1893 plat map landholders, supplemented by the 1900 Federal Census. Other sources may be used later if they become available. Every effort has been made to make this information error free. However, a project of this size will have some errors. Because we can never be sure that the data is complete, don't stop searching if you know for sure that your ancestor owned land in Akra Township during this period, but isn't listed. There are many reasons why he/she might not be listed here.

The use of a "\*" indicates that someone of that surname, but not with the given name, lived in the township in 1900. It might indicate that the landholder died between 1893 and 1900 and the land passed to a widow or other heir. A "?" means portions of the census or landholders data was not legible.
