Looking for information on Angus MCLELLAN. I believe that Angus was born in either Wellington or Peel County, Ontario and was the son of Dougal McLellan and Ann Campbell who were from Islay, Scotland. Both Dougal and Ann are buried at Conningsby Cem, Erin Twp, Wellington County, Ontario. Angus was born abt 1838 and was married to Ann (maiden name perhaps Everdell). The 1880 US Census shows Angus and his wife Annie running a hotel in Pembina. Any information would be appreciated.

I am interested in finding further information about the descendants of Michael and Martha A TEASDALE, who came to the US from Farndale/Bransdale, North Yorkshire, England in abt 1879.

They came with their father (also) Michael TEASDALE.

From various census, land record and naturalisation papers they seem to have settled in Lincoln Township, Pembina County from 1880.

They had the following children I know about:-

Ann, bn abt 1878, England  
Sarah J, bn abt 1880, IL  
Maggie, bn Oct 1882, Dakota  
Ada E, bn abt 1885, Dakota  
Rebecca, bn Dec 1886, Dakota  
Mary, bn Apr 1880, Dakota

Sarah J married Henry GENSE (from Germany) in abt 1900, I know of 3 children (from census data):- Frederick, Ralph & Clara.

I would love to know what happened to the other daughters.

Johannes Gudmundsson (Goodman) and Solveig Jonsdottir and their children: Joveig Johannesdottir, Oddny Johannesdottir, Jonina Johannesdottir and Sigridur Johannesdottir left Akureyri, Iceland in 1874. They were on the SS Patrick when it docked in Quebec on September 23, 1874. They went on to Markland Icelandic community in Nova Scotia. There they had two more children; another daughter (Engema Johannesdottir) and a son. Their oldest Teenage daughter died in Markland.

They left Markland and presumably went back to Winnipeg then on to the United States in the Dakota Territory. Their daughter Oddny Johannesdottir I believe became Maud Goodman and she married my Great Grandfather, Pascal Jarbo. They had 7 children while living in Ardoch North Dakota.

Their daughter Joveig Johannesdottir I believe became Josie Goodman. She lived with the William P Andrus family while co-habiting with their son John Gordon Andrus. She and John had one son, Herbert F Andrus born in the Turtle River Township area in 1893. She married Thomas C Workman in 1901 and they had a son, Harold born about 1902-1903 in North Dakota. Evidently Mr. Workman died because Josie Goodman Workman moved with her sister and her family before 1909 to Blaine Washington.

Their other daughter Jonina Johannesdottir I believe became Maggie Goodman married to Joseph Lindall.

Johannes and Solveig are buried in Blaine Washington along with Josie and other Goodmans. Would you have any record of this family while they were in the Dakota Territory? I am looking for the proof that My Great Grandmother, Maud Jarbo, and her sisters were indeed the children of Johannes Gudmundsson and Solveig Jonsdottir of Iceland.

I have been searching for my g grandfather and his ancestry. His name was GEORGE LOUIS CANTIN dit MOREAU or

MORROW. He was born around 1855 but I have no further information except that he was married to FRANCOISE PARISIEN in 1882 at Fort Qu'Appelle. Their son, LOUIS MOREAU/MORROW was married to MARGARET BELGARDE and they settled in St Peter's Mission in Montana. I know there were a few Belgarde's in

Pembina in 1850 and 1860. Does the MOREAU/MORROW name sound familiar to anyone? Help I've hit a brick wall!
