WHITSON

I am looking for any information on my ggrandf. & his family. John A. Whitson came to Pembina (St.Thomas), in the fall of 1882 with his wife Cecelia & children , from Ont. Can. She died in 1883, then in 1884 he remarried Mary Jane Laird. I can't find any marriage record for them. They had other children, then in 1891 left to Alberta, Can., where they settled. I am having difficulty finding info on where & when Cecelia , also their son William (aged 12) , died & was buried. Any information would be appreciated. Thanks, Sherry

CATHOLIC CHURCH IN PEMBINA

We are interested in trying to find out if anyone knows whether there was a Roman Catholic church in the town of Pembina around 1885. If so, whether the church still exists today and what the name of it is. We are trying to locate the death record for an ancestor whom we suspect died while the family was living in Pembina County &/or Pembina city. The family may have lived in the city for a couple years before moving on. We would appreciate any information or assistance that anyone could offer.
